Bruce M. Stamski, P.E.
Director of Public Works
Town Engineer

August 11, 2004

To: Independence Road Residents

The Town of Acton Highway Department will be working at the end of Independence Road in the next couple of weeks. They will be extending the sewer line approximately 120 feet from the last manhole near house #22 in an easterly direction. This work will complete the sewer line to where it was originally intended to end. The location is marked with white paint on the road. The work will not impede traffic flow to your homes. Once the work is started it will take approximately one week to complete. If you have any questions please call.

Sincerely,
Bruce M. Stamski
Director of Public Works
